

INFORMATION OF SARBAK METAL TIC VE SAN A.S
REFERRING APPLICATION OF REACH 1907/2006
-JUNE 2020 –

The new regulation of REACH (Registration, Evaluation and Authorisation of Chemicals - included metals -) has been forced on 1/7/2007.

There are many obligations must be follow and apply inside REACH directives like” annex XIV List of Substances subject to Authorisation” . First of all the materials which are subject to this list must be published in SVHC candidate list and later placed inside annex XIV depends on the studies duration. Annex XIV List of Substances subject to Authorisation was revised on 07/02/20 with 54 items.

We would like to declare to our Clients that Sarbak Metal products are not included any materials which was inside annex XIV List of Substances subject to Authorisation’s 54 items. You can find the current Annex XIV at <https://echa.europa.eu/authorisation-list>.
