

INFORMATION OF SARBAK METAL TIC VE SAN A.S
REFERRING APPLICATION OF REACH 1907/2006
-JULY 2019 –

Reach became valid by 1 June 2007. SVHC candidate list which is planned to be in Annex XIV in reach was published on 28 October 2008. This list is updated by the European Chemicals Agency at least every six months. You can find the current SVHC list in the appendix.

Our company control all the SVHC Candidate List after the update. We declare that only the lead (Pb) [CAS Number: 7439-92-1, EC Number: 231-100-4] content on the SVHC Candidate List is used more than 0.1% by weight in some alloys within Sarbak Metal products. You can find information on the website of the European Chemicals Agency for safe handling of the substance. At the same time, you can find our products SDS / DS documents under REACH title at <http://www.sarbak.com.tr/en/corporate/Occupational-Health-and-Safety-Management-System>.
