Conflict Minerals DECLARATION

Sarbak Metal is producer of brass materials. We use mainly copper, zinc and lead in our production.

There is tin in the composition which is coming from tin scraps.

We don't buy tin, tungsten, gold and thallium as raw materials.

We buy raw materials from Turkey and Europe. We don't buy raw materials from Democratic Kongo Republic.

Your sincerely,

ŞİRİN BİLGİN
KALİTE MÜDÜRÜ

TUĞHAN ÖZÇAMSIRTI
