

**INFORMATION OF SARBAK METAL TIC VE SAN A.S'S  
REGARDING APPLICATION OF REACH EC (EC)1907/2006  
-OCTOBER 2018-**

1907/2006 numbered REACH became valid 01 June 2007. Pre-registration was completed 1 December 2008.

In REACH there are some limitations for the substances in Annex XVII. According to the regulation the substances which can be used alone or in preparation or in a good is limited in EC. They are limited to enter EC markets.

In REACH article 137 refer.” Limitation of some poisonous substances and mixtures entering markets and usage” directive 76/769 updates will be added to REACH add. XVII. This update will be valid by 1 June 2009. 76/769 directive is no valid by 01 June 2009. Annex XVII has been updated on 10 October 2018 last. The current Annex XVII consists of 72 items.

As a result, we would like to inform you that we have no problems for substances used in our products regarding the substances indicated Annex XVII.
